Headmaster's Message

Mr. K.H. Barry Gallant

The College has just finished a four year period of considerable physical change, the result of a major fund raising campaign which ended last June. This might be a good time to stop for a moment and relax and review the changes of the past few years. Such is not the case, however. Now is the time to move on and take advantage of our excellent facilities, our talented and committed faculty, our active and involved Board, and of course, the talent and enthusiasm of a cosmopolitan student body.

There are some obvious changes being started now to take effect next year. The most visible of these is the modernization and up-grading of the College's computer facilities, including an internal network linking the academic departments to the computer room and the library and links with the internet to give the teachers and students access to the rich resources becoming available on the computer "super highway". Design work on the system has already begun and most of it should be in place by the time the new school year starts in September. Like many things, the difficulty is not in getting the students up to speed with the technology available, but in getting people like me to learn at least enough to have some idea of what is going on in this field. As someone once said, "Sir, in my experience, the bottle neck is always found at the top."

A not so obvious change will be in the focus of our energies over the next few years designed to take advantage of our unique location and of the opportunities that gives us to develop as a truly North American school, providing an education for students who want to study anywhere in North America, whether that is in Canada, the United States or Mexico. We will build on the strengths we already have and at the same time undertake two significant changes. The first of these is to seek formal recognition of our status in the United States and Mexico so that students can transfer easily between the three countries. This step is already well underway. The other change needed is to broaden our academic programme, especially in the humanities and languages so that we can provide the language and academic skills which will give our graduates the mobility needed to work and study anywhere in North America. I hope you see yourselves as being on the leading edge of what will be a very exciting and productive period for Stanstead College and that you will keep in touch and pass on your experiences to us so that we can, with your help, meet our goals and our commitments to future generations of students.

When Mr. Gallant asked me if I would accept the position of Head Prefect, I was both pleased and honored to do so.

I was lucky to have a strong, tight-knit group of prefects to back me up. However, I think it was mostly because we understood a few fundamentals of prefectship that things ran so smoothly.

A prefect is not only someone who shoves hymn sheets into your hands, tells you to do up your tie and threatens you with work detail. A prefect is someone who is also a peer and relates to the problems that boarding school life can impose. We know the tears, the frustration and the homesickness, because we too have experienced it. We are also more than willing to listen to your exciting and happy moments, for we know the need to be understood.

Being a prefect is not easy for you are placed in two clashing roles. Prefects are at once an authority figure, understanding the staff's point of view and a peer, sharing the same ideals as the students.

Yet I believe that it is worth the trouble just knowing that you have been one of the many factors bridging that gap.

Many thanks to my fellow prefects!

Quite and still she waits . . .

They come in early fall
Frolicking on verdant tapestries
Vividly arrayed in red and white
Exuberant cries echoing across the rippling Tomifobia

Shadows lengthen and chilling winds
Sweep the quiet quad
They nestle into dorms and gym
Or jostle down Arena Hill to skate awhile
Before the call to gather in the hall
And share together food and drink,
While talk of things gone by and what's to come
Lifts spirits through the dark of winter nights

The solstice wheel rolls round and brings the sun
To melt the snow and coax the earth to life
And like the plants that struggle to break free
They burst to life and chase each other
Running amok in new-born grass
And talk's of scrums and track meets or which team's ahead
Cause North, East, South and West all think they'll win

And soon it's Grad and time to dance all night
And walk at dawn and think about good-bye
After the final tests have run their course
A fiery Friday thunder forewarns all
That Bacc is here and time to leave has come
With memories to keep when years have flown

Quiet and still she waits . . .

Spring Break in Australia

SPRING BREAK 1995
THE LAND OF OZ
or
AUSTRALIA . . . OOH AAH!

G'Day mates! This year Exotic Tours of Montreal provided the school with a truly unforgettable trip for the March Break. Tour leader Mr. "No Worries" Simard and sidekick Mr. "Good On Ya" Denney broke with the past tradition of travelling to a destination in Europe and toured the spectacular east coast of Australia for two weeks instead.

We departed Montreal on March 18 and a "brief" 32 hours later arrived at Cairns in the tropical north-east where we began our nearly 3,000 km journey to Sydney. The highlights of our stay in Cairns included a visit to the aboriginal village of Kuranda where we enjoyed a super performance at the Tjapukai dance theatre and a full days sail on the "Ocean Spirit", the largest catamaran of its type in the world, to the Michaelmas Cay and the Great Barrier Reef. Our next stop found us in the Whitsunday Islands where we had a chance to pet and feed koalas and kangaroos before sailing once again to Great Keppel Island for a unique camping experience and lots of water sports. The sun and surf were a welcome change from a Canadian winter but what would a trip to Australia be without at least a glimpse of the "Out-back"? From Great Keppel we travelled inland to the 22,000 acre Cooper Downs Station cattle ranch where we were treated to horseback riding, a safari on the property to see much of the flora and fauna in their natural settings and a fun-filled evening of games and

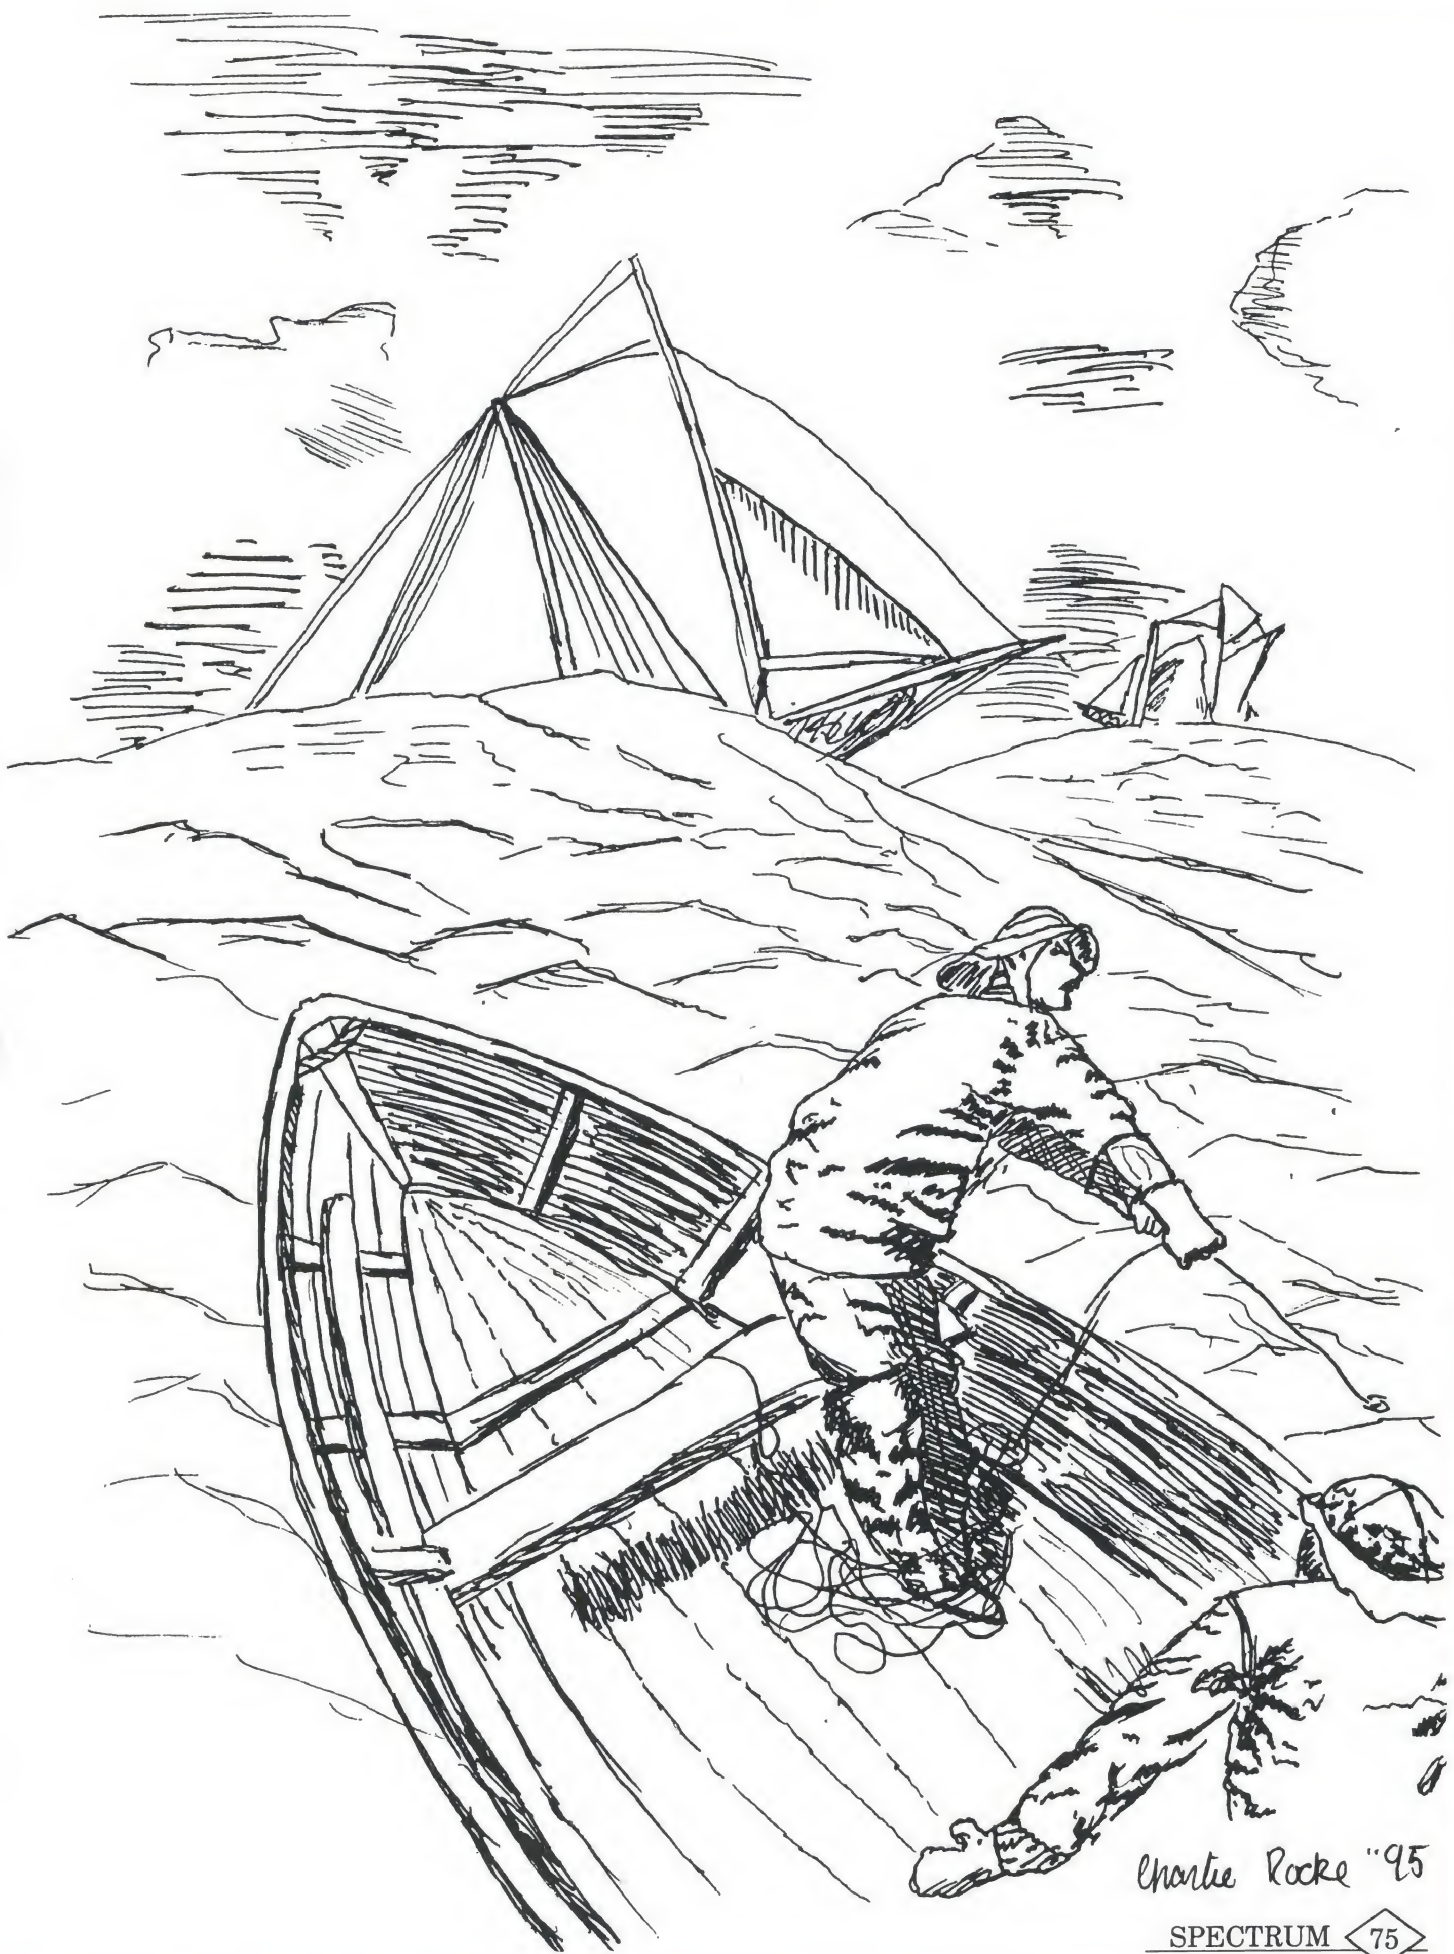

activities; certainly a highlight for many on the trip. How do we top that? Well, 3 days in a 5 star accommodation just might do it and it was off to the magnificent Kingfisher's Bay Resort on Fraser Island, the largest sand island in the world and an International Heritage park. From Fraser, where we toured in 4-wheel drives to see endless dunes and beaches and to swim in crystal clear fresh water lakes, we went to Surfer's Paradise near Brisbane and then by "rapid train" on to Sydney for 3 days, which included a trip to the famous opera house and harbour and city tours. The memories from the trip include: Salgado . . . the illegal alien; Daniela . . . endorsement for baby oil; Meredith . . . the daily manhunt; Andy . . . delivery boy?; Pato . . . the name is Tamilla? . . . using Visa at McDonalds?; Mr. Simard . . . I think it's Camilla? . . . but I'll settle for XXXX; Alex M . . . the Djiridoo & Katherine too?; Shéila . . . 18? no 14 . . . THE dress . . . & . . . Mommy j'ai besoin d'\$\$\$; Mrs. Genest . . . "I'll pass on the sailing and camping . . ."; Federico . . . is Mr. Simard really mad?; Mariana & Natalia . . . (the real tourists) . . . Madame Butterfly; Marvin . . . nice hat!; Mr. Dens . . . VB?; Ben's . . . Happy Meal; Julie . . . the nature expert; "Mr. Canada" & Mario Andretti; Hard Rock Cafe . . . Sydney; Tattoos???; Tjapukai dancing!; and, of course, Gazza, our guide, bus driver, cook and mate!

This was an outstanding trip and the best testimonial to that is the fact, even after two weeks of travel, no one wanted to come home. 'Til next year . . .

Together We Stand

Together we stand, forever free,
Looking for new places, new things to discover.
There is a world of treasures to see
So we take one day at a time, helping each other.

Together we stand, forever strong
We push ourselves year after year.
We have a goal to seize, so we move on
It's now in sight; we have nothing to fear.

Together we stand, forever friends
No one will forget the times spent here.
Thoughts and memories that have no end
Together we stand for one last year.

This was my first year coaching soccer, and in terms of victories, it was a frustrating season. Our best results, along with our only win, occurred during tournament play. In fact, we seemed to save our best games for tournaments, and our worst for league play.

Nevertheless, statistics aside, I was far from disappointed with this soccer squad. It was a season marked by improved skills, improved effort, and, most importantly, fun. Coaching these players was not a chore. I even found myself looking forward to practices. Most of the girls were enthusiastic and eager to learn, and we were the classiest team in the league, receiving no yellow cards all year.

As mentioned earlier, the team's skill level improved. Abigail, Jessica, and Meredith were prime examples of this. But more importantly, EFFORT improved with every single player. The first game of the season no one broke a sweat. By the final game of the year, we were battered and bruised and playing better, more aggressive soccer.

Congratulations to Ruth Darling, our captain, and to Suzy McDonald, for their Senior S Awards. Special congratulations to Mandi Holness, for being awarded a Major S and for winning the Merle Griffith Trophy.

Thanks to all players for a memorable season. I mean it.

Prior to the first meeting of the 1994 football team, both coach Simard and myself had virtually no idea of how this year's edition of the Spartans would shape up. Of the 24 players that came out for the team in early September, only 12 had any previous exposure to organized football. We were however endowed with a small core of dedicated returning players whose perseverance and spirit carried the team to a respectable four and four season record. Without a doubt the season highlight for the team was winning two of our three games against B.C.S. and thereby bringing home the Senator Howard trophy for the first time in four years. Our biggest disappointment came not on the field, but by way of a telephone call informing us that as a result of the outcome of the final league game (between Alexander Galt and B.C.S.) our season was over and we had been eliminated from the league championship final. This unexpected turn of events naturally came as a huge letdown to the team, especially since we believed that we were peaking as a team and were "psyched" for one final shot at Galt - but it was not to be. As football is the ultimate team game it seems inappropriate to single out individual performances. However Alan Chi merits special mention. Returning to the program for his fifth season, Alan lead the offense in rushing and scoring. He anchored our defense with his relentless pursuit and fierce tackling. As a leader and a player Alan, the 1994 M.V.P., made an enormous contribution to the team. Finally in looking back over the 7 week season, I believe that every member of this year's Spartans has reason to feel proud of his accomplishments. We worked hard, improved measureably (both individually and as a team), exhibited a high standard of sportsmanship, and above all played to our full potential.

This year I had the pleasure of coaching a splendid group of young men. The team played its heart out all season and the results showed this dedication.

The team fell just short in its attempt to win the league but it always played hard while demonstrating a great sportsmanship. By far the most exciting part of the season was the Independent Schools Tournament, hosted by Stanstead this year. The team played five hard fought games, losing two in a penalty shot shoot-out. They certainly put on a great show!

I will miss some of our departing veterans next year. I wish Brian, Kevin, Jeff, and Taira good luck in the future. I look forward to next year's season.

To run, defines the Concise Oxford Dictionary, is to "progress by advancing each foot alternately, never having both feet on the ground at once". It would be difficult to say that this year's Cross Country Running team ever had both feet on the ground at any time during this season. My first year as coach of the team proved an excellent learning experience for both myself and for the team, whose attempts at shortcuts were constantly being foiled and suitably penalised. Regardless, each day the team ran circuit after circuit and each day would end with several runners shaving several (legitimate) seconds off their best times. Although we were unable to translate this into medals at all our meets, we ended the season with two silvers and a bronze at ETIAC. Being an outdoor sport, we were fortunately blessed with exceptional weather for all our meets, and indeed for the entire season - we had only two practices in which we suffered in the rain. We did, however, have to suffer through Karl's twaddle during warm-up, repeated attacks from the notorious "bubble plant" and fits of "hokey-pokey". Thanks to all the team members for their concerted efforts - and a great season!

This year's Junior Girl's soccer team was made up of very enthusiastic players. The team was a mix of great personalities so working with them was a lot of fun. They all got along on and off the field which is why they played so well together as a team.

Our season was not outstanding but it was productive. Every member of the team showed improvement by the end of the season. It was steady progressive improvement.

This year Richmond was our toughest competition but we were very evenly matched against our other main rivals Galt and BCS. The team made it to the semi finals where they played an excellent game against Richmond but lost by only one point. In fact the Richmond coach felt that Stanstead deserved to win and I had to agree. Hopefully next year they will!

I want to congratulate all the girls for their efforts and for the sportsmanship they displayed at every game. I also want to thank them for being so cooperative especially when Velika, our team captain, worked with them. (Thanks for a great job Velika !!) I think all the girls made an extra effort to keep my stress level down!! I really appreciated it!

The 1994 edition of the Junior boy's soccer was a very talented one. Once again we had our share of talented Mexicans which blended very nicely with the rest of the team. We started the year off on a shaky note by losing our first two league games , and by losing our two games in the B.C.S. tournament. At that point the team began to play a defensive style and we were undefeated until our last league game of the year. We went into the playoffs with high hopes of winning the championship. We defeated Massey Vanier in the semi-final and were ready to face the league champions Alexander Galt in the final. We had all the reasons to be confident as we were the only team to beat and tie them during the regular season. Unfortunately we fell short by losing 1-0 where it was anyone's' game.

Our league record was 4-3-1 and 0-2 in tournament play. Congratulations go to Paul Li, Jason Couture and Jose Luis Valdovinos for earning a Junior "S".

See you next year !

Despite a rough season in the win column, this year's Bantam Boys' Soccer team had a young, enthusiastic and persistent contingent of players. All showed tremendous progress over the course of the season as the team's skill base became increasingly solid. The team drew on the leadership and experience of Captain Marc Hetu, scoring leader Sebastien Riessner, goaltender Frederico Madrazo and defenceman Alex Danes (All Bantam "S" winners). Thanks to all players for their hard work and efforts, and to our manager, Johnathan Trudeau. Next season is sure to improve with the return of several players.

CIS

Tournament

This fall Stanstead College was given the honor of hosting the Senior Boys' Independent Schools Soccer Tournament. Sixteen teams from across the country converged on Stanstead and put on a display of soccer not soon to be forgotten. Mother nature cooperated with three glorious fall days and Stanstead's facilities never looked better.

To host a tournament of this scope it takes teamwork. I would like to thank Mr. Simard and Mr. Phillip for their tireless attention to detail. Their effort and dedication resulted in a first class event that upheld the tradition of this great tournament. Of course, the tournament involved many other people as well. Mr. Skelton, Mike Seguin and his crew. Allen and the kitchen staff, and last but not least, the students who worked as minor officials.

The tournament is now a warm, fond memory. It was, when all is said and done, a tremendously proud moment for Stanstead College.

SENIOR GIRLS BASKETBALL 94/95

What was to be a year of major accomplishments, turned out to be a year of deception. The year began with great enthusiasm looking forward to a great season having six of our returning players back, and a good crop of the junior girls coming up. Our annual tournament was a very good start to our season even though we did not win. The game versus Trafalgar was a very exciting game.

We knew that we could not compete with teams like Massey-Vanier and Galt. Our objective once again was to qualify for the Anderson-Bailly. We played Richmond twice and won both games. We had to beat Bishop's once to qualify and we were unable to come out with a victory. They were close games but we could not handle the pressure of keeping the lead. So to qualify we had to play Quebec High, but unfortunately we were at a disadvantage since we had lost our best player a couple weeks earlier due to a knee injury.

The team did play very hard for me and the school. We all had great moments of frustrations trying to figure out what to do to win. The effort was unquestionable but we lacked mental toughness. The battle goes on and we will strive to do better next year.

For the members leaving this year thank-you for your hard work, your dedication, and your friendship. I will never forget you because you always looked out for my best and the team's interest.

Congratulations to Genevieve Yong for the major "S" and M.V.P., and to Mandi Holness and Jennifer Zylberstein for their senior "S".

The arrival of Kevin McCoubrey to the school gave the basketball programme the spark it needed to improve last year's performance. Our league record was 2-6, and our losses included a one point loss to Richmond and a 6 point loss to BCS, the two teams we beat during the season. We qualified for the ETIAC playoffs only to face Galt in the semi-final. We actually played them very well in the semi (as we had done in one of the two previous meetings with them) losing by less than the team they eventually beat in the final. Our record in tournaments was quite good. We were second in our own Stanstead Invitational, and third at the BCS Invitational. Who can forget Jeff "Yagi" Schouela's rise to fame in the S.I.T., scoring a three from downtown and accumulating 5 points in seven seconds. We qualified for the Anderson-Bailly tournament held in Quebec City at St. Patrick's High School. It was a great weekend of fun, although our play was not what it should have been. A small consolation was that we lost in our pool to the two teams which eventually made it to the final. Kevin was our All-Star at each of the three tournaments listed above. It was a fun season, and we did improve as a group in terms of knowledge and skills of basketball. Carlos Casana was the most improved player over the course of the season. Alan Chi was one of the quickest players in the league, although inconsistency plagued his season (MVR!!) Pato Rojas and Oliver Worth were our (inefficient managers who missed practices and pictures and showed up 5 minutes before games... I look forward to seeing you back next year, and thanks for an enjoyable season. Congratulations to award winners... Senior 'S': Zeeshan Hussain, Jeff Fountain, Major 'S': Alan Chi, Kevin McCoubrey, Amaron Trophy: Kevin McCoubrey. It has been several years since I have been the head swim coach at Stanstead College, but once again we produced a small, but hard working team. Competition included swimming in two leagues with a total of seven meets. Although our small numbers prevented us from showing a strong finish in these leagues, we had several individuals that swam at the top of their categories.

The highlight of the season was the newly formed E.T.I.A.C. league championship meet hosted by Stanstead with competition from Massey Vanier and BCS. This meet showed our best results of the season with especially strong performances from Veronik Simard at the bantam level, Emma Rocke, Velika Parent, Jacob Young, Juan Bueno, and Greg Ronveaux at the midget level, and Jenson Au at the senior level.

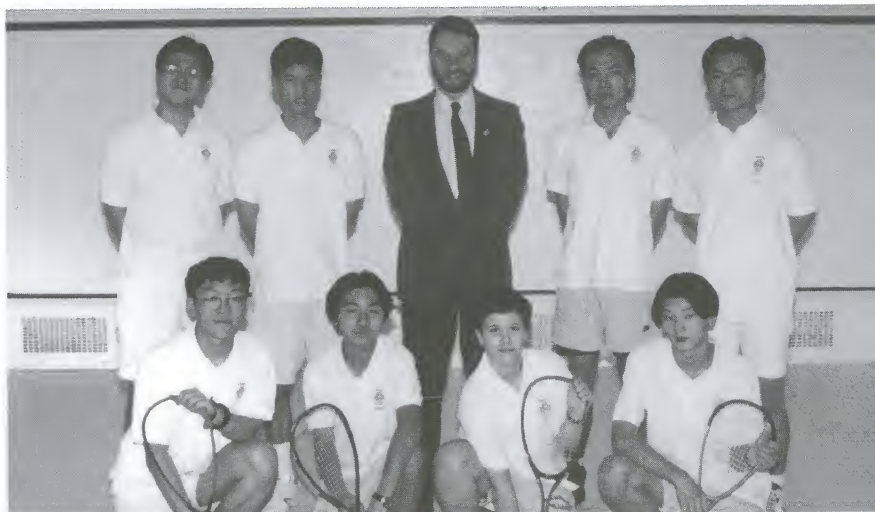

I would now like to take this opportunity to thank all the team members for their hard work and dedication to the team. It has made a long winter sports term very enjoyable for me and I hope that it was fun for you too. I would like to congratulate the boy and girl MVP recipients, Jenson Au and Emma Rocke. I wish the best to the graduating students and I am lookink forward to next year.

I would first like to congratulate all the squash players this year for a fabulous season. There was a really good chemistry between all the players this year which made for an incredible team spirit and a lot of good times. It was this sense of team spirit that I believe was the most noteworthy point this year. I was really impressed by how the players supported each other not only in competition but also in practises.

Our players showed patience, integrity and a very high degree of sportsmanship. They enjoyed the game so much they often started early and stayed late to play. They made it fun.

As far as tournaments were concerned; although the players didn't necessarily win every match, they certainly made it very difficult for their opponents. Our team was very respected for their sheer amount of determination while still maintaining good style. It was great to see both players who were new to the game and the experienced ones help each other out.

I would like to recognize Owen Chang, this year's Major S winner in the boy's category, for his strong ability in the game and his leadership. I would also like to applaud Joan Chang for her enthusiasm and perseverance in the game. It was my pleasure to award her a major S and the Katsi Goodleaf Trophy for excellence and sportsmanship in squash. I would also like to acknowledge Brian O'Sullivan and Ruby Ho as the team's Senior "S" winners.

This year's team did not have a winning season, but it was not for lack of effort. What made this year memorable was how easy it was to coach this team. They really wanted to learn! They started the year as a group of individuals and as the year progressed they learned to play together as a unit. The most promising aspect of this year's team is that almost all of the players will be returning in 1995-96. It is with great confidence that I predict great success for the future. A great thank you goes out to George Goodsell, Tyson McDonald and Mathieu Plante. These very skillful players showed great class in the way they dealt with the lack of winning. They always played hard and led by example. I look forward to next year!

Cross-country skiing : the foremost of aerobic exercises, well loved by those inhabiting the snowy northern climes. Although we did wait patiently for snow, the only flurries we saw were made of M.E.s. As a result, the team had few opportunities to practise their skills or present them in meets. Mind you, there was Sedbergh hell — cold salad after skiing all day and the dance that never materialized. And Mr. Southward managed to plan trips to the golf course and town trails. The season, however short, had its moments...Meaghan Fullerton springs to mind (Are you embarrassed enough?) Chang Fu managed to ski the distance to Magog in one weekend. Julio managed to get his skis on. Oh, and the jinx of being our captain — our first, Jennie Davis, managed to dislocate her shoulder while the second, Colin Petrakanyyn, had to be dragged out of the provincial-trials trails on a snowmobile stretcher. After that we gave up. Halfway through the season, we were joined by Miss Keeble, who was given the major responsibility of controlling Carl. The highlight, I've been told, was the athletic assembly. Having already destroyed one person's reputation, I'll keep the rest to myself. Thanks to all you assisted me - especially Alana and Amber.

Junior Hockey 1994-95

"Another junior hockey season has come and gone much too quickly" as one member of the team put it after our last game. My comment was that I couldn't believe that three years have past even more quickly for some players who had been with me for three seasons. My special thanks go to the veterans Alex Petraki, Marvin Filteau, Peter Atkin, and Wassim Kabbara who not only have improved their skills but have grown into fine young men.

Contributions made by other members of the team were very gratifying and much appreciated. Our record of 3 wins, 5 ties and 6 losses allowed all members of the team to experience some succes while learning to take defeat graciously.

It is the hope of the coach and returning players that we can pick up where we left off this year and continue to develop a young hockey program that will satisfy the immediate needs, while at the same time, look ahead to bigger and better things.

Good luck to those leaving the program and sincere thanks to those who will return next year.

During the previous two years of coaching here at Stanstead College, I have been involved with hard-working, classy teams that, while always giving 100%, were nevertheless the weak sisters in the ETIAC. Consequently, it was my great pleasure this season to coach a classy, hard-working squad that was actually competitive in league and tournament play.

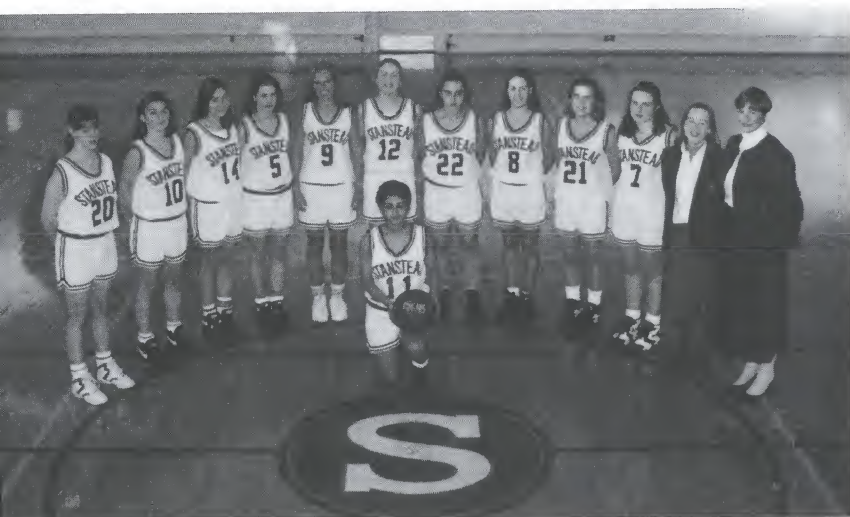

Due to an unbalanced schedule, we lost our first crucial game to BCS, but recovered to finish the season 2-6, making the playoffs in a tough league. The highlight games of the year involved Richmond, whom we beat by 10 the first time we played them, and who we lost to by 3 in an extremely exciting rematch.

Congratulations to all team members for a season characterized by hard-nosed play, no technical fouls, team spirit, and, if I forgot to mention it already, making the playoffs. (Oh yeah!)

Special congratulations to Jose Valdovinos and Jason Couture, who were each awarded a Junior S for their skills, sportsmanship, and commitment to the team.

I look forward to seeing all you returning players next year, and good luck to any players moving on to the senior level. Thank you again for the great season

This season started out like any other, trying to decide who to choose to make up a team. With the help of my four returning players, a team was formed and practices got under way. The team seemed to be plagued with injuries and the flu right from the start. At times there were more girls with M.E.s than on the court but no one complained. Team spirit was present both on the court as well as on the bench.

I saw growth and skill development in everyone of the girls. I heard words of encouragement among the team members, and I saw the team take pride in their accomplishments. I appreciated the initiative to work hard throughout the season.

Special memories: Hollie finding out what the "bla-bla" tie at BCS stood for. Taking Spanish lessons from Ana-Paola, Daniela, Isabel and Mariana while the games were going on. Placing bets on foul-shots with Natasha, which I usually lost. Deepti "feeling good" whether we won or lost. Congratulations to the Junior S recipients: Deepti (our captain), Sarah, Robin and Julie D. Your assistance and patience with everyone were valuable.

Eleven girls with vast differences in athletic ability and experience, turned up for the first practice of the first ever Bantam Girls Basketball Team. We had the valuable expertise and enthusiasm of assistant coach Mandi Holness to help us as we got down to the job of learning the skills needed to build a team.

We did this, working together with spirit and determination. The team elected Katherine Verreault and Debbie Parent as their captains and both girls showed great responsibility and leadership. I am very proud to have been a member of this team.

We'll remember:

- Debbie's nifty lay ups.
- Estelle's 100% effort.
- Katherine's leadership.
- Kathia's speed.
- Lesley's wonderful rebounds.
- Lucille's great 1st basket with her glasses taped together.
- Meagan's determination.
- Melissa's energy.
- Nara reluctantly becoming a good forward.
- Roxanne's super catch when we needed it.
- Samantha's valuable defense.
- Sheila's strong drives.

It was a year of rebuilding in my first year as coach of the Bantam Boys Basketball Team as we only had two returning players of the eleven on the team. Beside a select few, most of the team had never played in a basketball game before. But through hard work we improved immensely in both team play and individually.

We had very little success in our nine game exhibition schedule which included an embarrassing 76-point loss at the hands of Massey-Vanier. Although height was biggest weakness, we did play competitively, especially in the latter part of the season where we lost to Richmond by only eight points.

As mentioned before, this was my first year coaching and in doing so, did not know what to expect. But this team was extremely willing to learn and had an excellent team attitude. The outstanding effort that they put in each day is commendable and made me proud to be their coach.

I would like to thank all the players for all their constant work and effort. You made it enjoyable for me and I hope you learned alot. Congradulations to our Bantam "S" winners: Federico Madrazo, Jonathan Trudeau, and Alex Danes. Good Luck to you all!

SENIOR BOYS RUGBY 1995

The rugby season began in early February as we prepared to tour Scotland and Ireland in March. Once again we toured with B.C.S., but this time we had more players going than they did. The tour was fabulous and Stanstead College showed great discipline and were much appreciated by all the billets who took care of us. The friendships we made will continue for a lifetime.

We came back from the tour with a greater knowledge of the game and we were three weeks ahead of schedule in our training. We played an exhibition season including three tournaments. Our invitational was a great success and we finished in second place losing to B.C.S. in the finals. We also lost in the finals of the G.M.A.A. seven-a-side tournament and once again we were on the losing end to B.C.S. in the finals. We went to R.C.S. again this year hoping to do very well. It was a disappointment as we won, lost and tied and did not make it to the second round (the snow storm on the Saturday did not help our cause as we were a running team).

For the first time we played a couple of French schools and the experience was a positive and valuable one for both sides. French schools are now beginning to be more involved in rugby which can only help the growth of this great sport. For the first time we hit the .500 mark with six wins, six losses and three ties. I want to thank each and everyone of you for such great dedication all year long in a sport that demands great physical and mental ability. For a small school like ours we manage to put out very competitive teams and that is all due to your dedication and the love for the game. I hope for the ones who are leaving us, you will continue to play rugby. I guarantee that you will enjoy the game before, during and after. We did have winners for Major "S" and Senior "S" but this article is dedicated to all of you, because you all deserve it.

This was the first year in the GMAA and the girls were determined to play well. With the help of the six returning players, the remaining eleven soon learned the basics of rugby.

As the team soon found out, the competition proved to be very strong and the season was plagued with many injuries. Those who were not injured became stronger and more confident in their own playing abilities which was an asset for the rest of the team. Even the games in which the team had to play short of players or change to a new position that was unfamiliar, the girls showed their team spirit by playing the best that they could.

The highlight of the season was the 7' Tournament at BCS. The girls made it to the finals only to lose to Riverdale School in the end. Winning silver medals made the team proud that they played so well.

Congratulations go to Ruth Darling, Ana Paola Ramirez, and Isabel Rodriguez on receiving their Senior "S". Ruth started playing rugby with the original team three years ago. She has been a valuable player throughout her rugby career. Ana and Isabel showed their athletic talents soon after the season started. Both had speed, agility, and strength offensively and defensively. The Major "S" is presented to our captain, Jenn Zylberstein. Throughout many games she became a one-person team with her amazing (and sometimes intimidating) talents.

Thank you one and all for the interesting season.

TRACK AND FIELD

The Track & Field Team did not have as great a season as we would have hoped. With small numbers we have found it difficult to compete in as many events as we would like and even more difficult to put together effective relay teams which require 4 athletes, all runners, in the same age group and of the same sex and this is hard to do with the distribution of bantams, juniors and seniors we have in any given year. It was also an awkward season. The season lasts for about 7 weeks. We did not have our first meet for two and half weeks, then had 3 meets in 6 days and were off nearly a month prior to the ETIAC Championships on June 10. Nevertheless, as the oldest interscholastic program in the college, I am happy to say that it is still in operation. As coaches we feel that the track programme does offer a good option for the talented athlete who wants to better his/her skills with a view to competing at the university level or beyond. For this reason I want to thank the members of the Track & Field Team on behalf of Coaches Channell, Philip and myself.

I would like to congratulate the award winners and especially recognize Genevieve Yong for winning the Alice Amaron Trophy for the 2nd consecutive year and thank her for the example she has set as team captain.

I would like to commend our tennis players this season for putting in all they could throughout the entire season. I am very proud of all our players because they have shown themselves to be gentlemen and whether they won or lost they always did so with a lot of class. The team spirit was consistently high and there was always a sense of optimism.

Though tournaments are very important, they are not the only thing that made this season worthwhile. Practices were also very important. The players seemed to be so dedicated to the game that they made hard shots in difficult games seem easy. I think this was because they built a good foundation. During practice our players were there early and doing their best. It didn't matter if it was an important match or just sharpening their skills, our team always strived for excellence.

I am pleased to present Alex Mendiola and Carlos Casana with the Major 'S' award. Both players achieved a high level of expertise and I could always depend on their best at all levels in a game. I would also like to pay tribute to Brian O'Sullivan with the Senior 'S' award for his determination to improve and congratulations to Federico Madrazo and Sebastian Reissner for the Junior 'S' award.

Mr. Williams.

This season was brief to say the least! It seemed that Mother Nature was on the side of the rugby players, providing them with rain, sleet and more rain! However we did manage to START a few games against BCS that left the scores mostly in our favor. The girls were good sports throughout and at least during practices they were able to show off their skills. Thanks to team captain Deepali Kumar for keeping the morale up. As well, I appreciated the help given by Deepti, Angelica and Rowena to new team members Seiko, Daniella, Marcela and Jessica.

Congratulations to the Major and Senior 'S' recipients: Deepali and Deepti Kumar, Angelica O'Sullivan and Rowena Mak. Well done Deepti Kumar for winning the shield. It was fun being with all of you. Keep up the good work.

The Junior Rugby programme for 1995 had a fine turn out of 29 players, 23 of whom had never seen a rugby ball before in their lives. However, as a result of a successful season, from an exposure point of view, the sport now has a good contingent of new blood with the rugby programme. The team started the year playing bigger, older and more experienced sides. This gave them two experiences; the frustrations of losing and the experience of playing time against experienced teams. Score gaps were diminished over the course of the season and the team came up with a big win over BCS in its last game. In the GMAA 7's Tournament the team had a solid showing, winning two of three matches. The programme introduced a part time Bantam team for the younger players in which they played two games versus BCS and resulted in a 1-1 record. Paul Li captained the Juniors at the scrum half position, while Brad Goodsell led the forwards and Francois Carrier the backs. Luc Andre Nadeau fulfilled the player/managerial duties to a T. Junior "S" awards went to players who exhibited a combination of sportsmanship, dedication, a team building attitude and on field performance. Winners included Paul Li, Brad Goodsell, Nick Wilson, Francois Carrier, Tyson McDonald and Jake Young. This team was a great group to coach and they truly were excellent students of the game and now....players.

SPECIAL THANKS : My parents that supported me and especially Peggy.

Jenson Au '92

Owen Chang '91

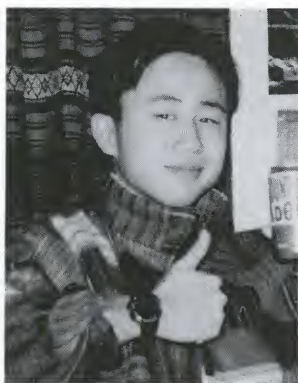

A.K.A.: Owen

ACCOMPLISHMENTS: Well, That's a good question, and I have no idea.

ACTIVITIES: Football, Squash, Rugby, Spectrum, Grad committee, Investment Club, and High Efficiency Insomnia.

MEMORIES: Played soccer at 1:00AM, and camping outside of Davis with some burning straws at the end of year. Had a little bit too much fun after baccalaureate. Wake up call for Mr. Armstrong on the day of October break. Stayed up all night with Jeremy doing Calculus assignment (well, sort of). A kind of sick right before Mrs. Duncan's English class (Thanks for all the members in the class saving my butt). Jeff, what a geek, who lived in Newport for 18 years, and didn't know how to ski, and couldn't get along with my computer. Sarah O'Connor, excellent ability for tea drinking, came to Canada without a duffle coat? Smart move! But you are still my best +Ingleesh fuland (quit asking me for the T-shirt). Mike, a kind of sleepy after assembly on your way to the room (try to walk straight and leave the wall alone next time, will you). Suzy, the professional high performed hairdresser. I will never forget what we did in the clock tower (Thanks for the match, Jenn), and Jason Rodi, who had too much fun up there with ...?! I'll never forget those great moments and all of my friends.

SPECIAL THANKS: Thanks to my parents who gave me this opportunity to study here. Thanks to my advisor, Mr. Denney, who gave me a lot of help and advice those years. Thank you to all the teachers who supported me in the school. And of course, +Dead People's Society.

Jeffrey Fountain '91

Taira Fujimoto '91

A.K.A. : Maeda, Takada, Funaki.

ACCOMPLISHMENTS : Being a manager of hockey team out of compulsory 2 years in a row.

ACTIVITIES : Sleeping

MEMORIES : I will never forget all the summer I spent in Japan. Watching Takada's best match against M. Smith at Tokyo and getting a severe shock of 30000 audiences and his strength. Meeting my friends and my father at Matsumoto. In Canada (Stanstead), not much memories but many lessons and experiences that I have had for 4 years. Staying away from troubles. Having 25 spares in my schedule. Trying to take weekends as much as possible. Meeting East Asians and Mexicans in Canada but I haven't met any Canadian friends. Rooming with Chinese every year and sometimes I felt that I'm in the wrong country. Learning more stuff from them instead of learning English and Canadian stuff. Being able to cook noodles and rice is a good example of that. Losing an interest in sports but being attracted to the life at Montreal. Receiving encouragement and letters from Y. Osawa all the way from Matsumoto. After all, I just want to thank Derek Lee as my best roommate, B. Takeshi for his recovery and a few teachers who really helped and cared about me through those years, who are Mr. and Mrs. Duncan, Mr. Williams, Mr. Ashworth, Mr. Southward, Miss. Wadleigh, Mrs. Atkin but the most of the people I will never miss. Good-bye Stanstead forever!!

Seiko Idemitsu '94

A.K.A. : Seiko, Psycho

ACCOMPLISHMENTS : NONE .

ACTIVITIES : Veg, Swimming, Tennis, Art club, Camera club, Grad Committee.

MEMORIES : When I came to Stanstead, I felt horrible. The worst situation I ever had. Missed my parents and friends. Trying to quit smoking (Actually, I'm not a heavy smoker anymore.) Me, Rowena, Helmet, and Niagara Falls, we went down to the river and swim there. That was cold, but it was fun. Angeelica, Kikuko, and I, we went to have a picnic behind the church at night, especially on a snowy day too. Brought coffee and seven oranges (right Angelica?) On the break, I missed a lot of flights in Boston and Miss Campbell was so mad. On the other break, Kikuko made us fine Japanese food. Thanks Kiku chan. Anyway, this time Kikuko's "DAD" scared me. Well, Kiko, Manabu, Mirei, the neck, we went to Karaoke. Mmh, Japanese connection. I tried snowboarding this year. I thought I could do it easily like Mark (Ward) but it was not as easy. (Right Angelica?). But I will be able to do Half-pipe soon. (I wish !) Anyway, this place is cold. It's party time tonight and and Close to You!! Will be new improved. !! I will see all my friends in Japan and the States too.

SPECIAL THANKS : My mother, father, and Léo who had supported me all the way. Kikuko and the Fujimoto family, Angelica, Gisela, Rowena, Mrs. Kasowski, Mrs. Atkin, Miss Campbell. To all my friends in Japan and the States, big thanks for all the support and trying to back me up.

A.K.A. : +Samsong\, Tsz Lung.

ACCOMPLISHMENTS : Learning English in Stanstead, master of cooking noodles and making Chinese teas.

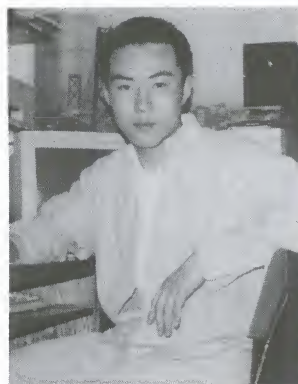

ACTIVITIES : Squash, Volleyball.

MEMORIES : The freezing temperature of Stanstead that froze my room. The first day in Stanstead, I was so nervous. The luck to get a single room. The terrible New Students' Race. Countless quarrels with Jeremy yet always yet always ended up as good friends. Having a friend Esmond who likes to go to the bathroom all the time. All the happy days with my friends, I will remember all of you.

SPECIAL THANKS : Thank you mom! Really! For every single thing you've done for me. And I'm so grateful to my grandmother, aunt and uncle who have supported me a lot both financially and spiritually. And thanks to my girl friend, Lily Ma, who is always there when I need someone to lean on, although she lives in Hong Kong. Thanks to everyone who had taught me. Thank you Mr. Armstrong who taught us calculus with Harvard University's manner. Thank you my funny advisor Mr. Retchless. Thank you Mrs. Kasowski who was always willing to give me an extra helping hand, thanks to Jason Hung who taught me how to play squash, and I really loved those midnight conversations we had. Thanks to Jenson Au who guided me when I didn't know anything of this school. Finally, I thank my good friends: E. Chan, V. Ng, R. Mak and R. Ho, thank you for sharing my happiness and sadness.

A.K.A.: CF, Fu Man, Fu-Fu, Chang Hoo, Chang-Ga-La-Fu,

ACCOMPLISHMENTS : So many I can not count them.

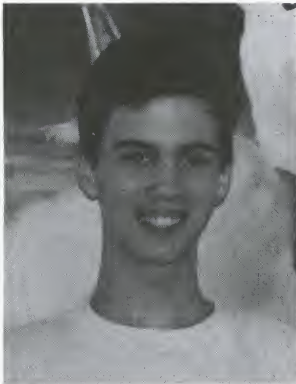

ACTIVITIES :Football, XC Skiing, Rugby, Debating, Spectrum, Investment Club, Choir, Eating, Sleeping, Breathing.

MEMORIES : For 2 years Stanstead College has changed my thoughts. Since I have stayed with these people, I felt alive. They've always taught me directly and indirectly. I think this school taught me the way to live in a society rather than random knowledge. Zaid taught me the way to know people, Mike taught me the way to think, Mr. Van Dyke taught me the way to enjoy life, In grade 12, I could get my various chances as much as I could, which were World Affairs Conference in Toronto, Rugby tour to Scotland, etc. In Stanstead I could get experiences of many things, and many friends helped me in many ways. I still remember when I skied for the first time in my life. I can say that I was rolling rather than skiing. I tried football, XC skiing, Rugby for the first time. I had three roomates who are Ben, and Jason. Ben was a great roommate, and Rodi was one of the people who have most affected me in my life. I really appreciate my roomates. I hope everybody has great luck in the future.

SPECIAL THANKS :Dad, Mom, Mr. Wolfe, Mrs. Atkin, Mrs. Duncan, Mr. Armstrong, Mrs. Kasowski, Mr. Kubanek, Mr. Southward, my brother, those who supported, took care of, and watched over me, God...

The path beneath my feet is soft
Springy with the novelty of youth.
It weaves and winds like aged rivers,
Rushing to catch my wandering step.

Ahead the road is shrouded in fog.
I know not where my path might lie,
But forge ahead with confident stride,
Knowing where I go, my trail will lead.

In the protected valley where I pass
Others laugh on parallel lanes,
But the meadow sun is setting soon
And through yonder hills we must go separate.

I wish perhaps to linger a little,
But curiosity commands from sights unseen.
Our paths, I think, may someday meet,
But our parting now is bitter-sweet.

Departing Staff

Calvin Armstrong is a soft-spoken, determined teacher, who, since his arrival at Stanstead has demonstrated his fascination with the beauty and power of mathematics. He instills in his students the concepts of algebra, geometry, trigonometry and calculus in many ingenious ways. He is always on the hunt for new and better pedagogical tools to help students learn. A special recent research interest of his is developing educational uses for computer software which makes it possible for students to construct and then manipulate graphs of various functions in order to understand in greater depth the complex relationships between the various concepts involved.

Although Calvin devotes much of whatever spare time he has to educational research, he's been kept very busy with other responsibilities as well. As assistant director of Davis House, the senior boys' residence, he's been right-hand man to Mr. Marino, who first recruited him for the "Ice-men" - the faculty hockey team - and then cajoled him into a never-to-be-forgotten role in the staff contribution to our annual lip-synch show. Throughout the year Calvin has given counsel and guidance to the young men of Davis House, who appreciate his good advice and understated sense of the ridiculous (check the bulletin board on his door for samples of the latter).

As head coach of both our cross-country teams, Calvin managed to energize even the most non-competitive of team members to enjoy healthy outdoor activity on Stanstead's beautiful trails, while at the same time ensuring that capable athletes had the training and opportunity to enter interscholastic and regional competitions.

Calvin is leaving Stanstead, returning to RCS in New Brunswick to continue his teaching career. Don't forget to keep in touch and send us e-mail, Calvin! We wish you the very best, and we're sure your future holds much promise.

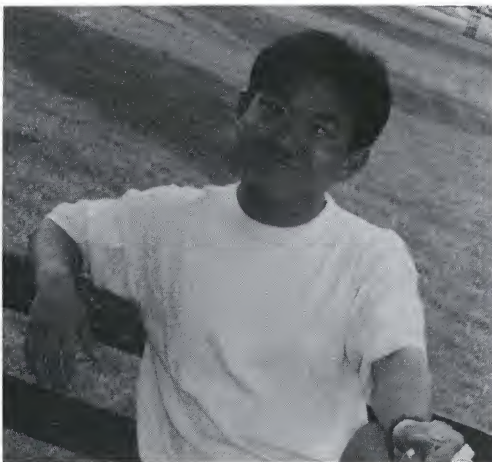

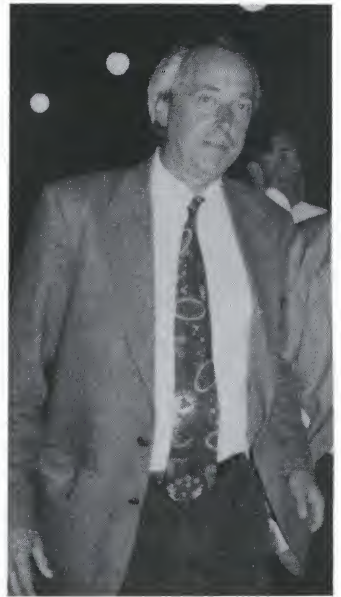

Gail Kuder came to Stanstead fresh from having completed teacher training and specialized graduate study in outdoor education. She took her responsibilities for teaching, supervising, and coaching seriously and worked very hard to fulfill all that was asked of her. (Also, I seem to remember that there was always a cup of hot cocoa and usually a freshly baked cookie to go with it if you stopped by her apartment for a chat, which certain of us were to do quite often.)

Gail spent many evenings in the labs as a mentor for the science fairs and math club and gave unstintingly of her time to students who asked for extra help. Although Gail was unable to be with us the last term of this year, we wish her good health and much happiness in her future endeavours.

Special thanks go to Mrs. L. Atkin, Mr. R. Cassen, Mrs. B. Elliot, Mrs. M. Sakamoto, and Miss T. Keeble, for stepping in to help while several staff members were on sick or pregnancy leave.

Thanks also to Mrs. D. Gallant and Mr. P. Channell of our staff and to Rachel Gallant for taking on added responsibility in and out of the classroom during the same time.

Prestige Class. The luxury of
privacy.

Even if you enjoy the company of others,
your own privacy is indeed important,
especially on long haul flights!
That's why we have reduced the number
of seats on Korean Air Prestige Class.
